# Women in Arbitration Virtual Event: What is the Future for Women in Arbitration?

co-hosted by KCAB INTERNATIONAL,  
Kim & Chang and Herbert Smith Freehills

Women in Arbitration 2021 invites you all to participate in an open and candid discussion on timely and relatable topics regarding women in arbitration. The event will feature practicing attorneys with significant presence in the arbitration community, and arrange virtual small group sessions for all participants to personally meet & greet fellow colleagues and share ideas. KCAB INTERNATIONAL Women's Interest Committee, established this year to provide an ongoing forum to discuss issues that pertain to enhancing diversity in the arbitration practice in Korea, is co-hosting the event with Kim & Chang and Herbert Smith Freehills. The Committee members, consisting of prominent female arbitration practitioners in Korea, will be moderating the group discussions to provide an invaluable opportunity to network with a diverse group of professionals, including newcomers to the field as well as some of the most well-known names in the profession.
