

KCAB NEXT SAF WEBINAR

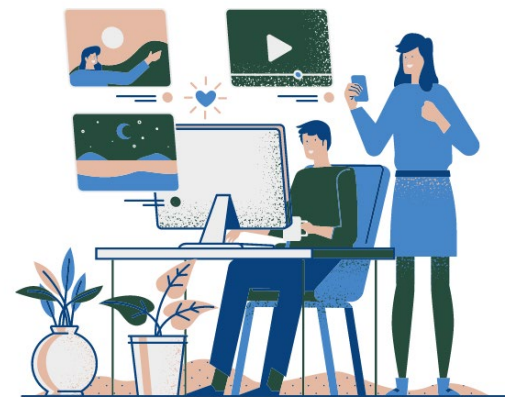

HOW TO ARBITRATE DURING A PANDEMIC?

4 NOVEMBER (WED) 11AM-12PM KST / ZOOM

We are delighted to invite you to the KCAB Next SAF Webinar. In this webinar, we would like to share thoughts and practical tips on the changes in international arbitration following the Covid-19 pandemic, such as virtual hearings and social distancing in arbitration proceedings.

The webinar is intended to be fully interactive by ensuring the audience to actively participate in through features such as poll and chat. Speakers may post some poll questions regarding the sub-topics they address to ask the audience to choose an answer and they will continue the discussion based on the poll result. A live chat feature will be available during the debate and chat-moderators will pick up the most interesting issues and put them to the panelist.

Join us for this webinar and please send any inquiries to knext@kcab.or.kr or saf@kcab.or.kr.
