Webinar: Procedural Tactics in International Arbitration – Which Ones Work and Which Ones Can Backfire?

We are pleased to invite you to a virtual panel discussion CMS will be hosting on Tuesday, 8 November 2022 from 17:00 to 18:00 KST (08:00 to 09:00 GMT) as part of **Seoul ADR Festival 2022**.

Event Description

Parties often put a lot of effort into deploying a range of procedural tactics in order to obtain a strategic advantage in arbitration proceedings. This session will explore the pros and cons of such tactical measures, and whether they ultimately achieve the intended outcome or whether they have adverse consequences.

We will explore these issues by looking at various commonly used procedural measures comparing how counsel and Tribunal members perceive them and how they may influence the proceedings. Some of the issues to be discussed in this session shall include:
